CALGARY SCHOOL PATROL BAND

The Calgary School Patrol Band forming the lucky horseshoe and smoking Indian Teepee, two formations symbolic of our Stampede City.

This band was formed to lead and inspire Calgary School Patrol Members in their important work. It is sponsored by the Calgary Active Club in co-operation with the City Police, School Boards, and the Alberta Motor Association.

NATIONAL SCHOOL PATROL BAND

The National School Patrol Band is a group of students who are trained to patrol the streets and help the police. They are trained in first aid, traffic rules, and how to handle emergencies. They are also trained in how to work with the police and other law enforcement agencies. The band is made up of students from all over the country and they are all very dedicated to their work. They are a very important part of the community and they help to keep the streets safe for everyone.

CALGARY SAFETY ROUNDUP & SCHOOL PATROL

It is gratefully acknowledged that *Ertie & Jack Stevenson* supported the Milk Train and the representation of Calgary by the School Patrol group, in the 1963 Grey Cup Parade in Vancouver.

This opportunity provided the youngsters with the special privilege of representing their city, and a rare experience in citizenship. Calgarians can be very proud to have such wholesome representation, and the loyalty of the supporters is an indication of the citizens which were represented. The members of the band and other school patrol entertainers amply justified the faith that was placed in them, and we want to assure everyone that it was worth every dollar spent, and every effort made many times over. The trip itself was full of warm and wonderful memories that will never be forgotten, nor will be the good people who made it possible.

This goodwill contingent wrote another successful chapter in the story of the Calgary spirit, and I know that all will feel a sense of pride by having willingly contributed to this success and reflection on our city.

Sincerely,
Don Hanson
